- This moderate framed, stylish young lady is an own daughter of our new herd sire, FBFS Warsaw, who's first calf crop has more than exceeded our expectations. His 1st daughter sold in the 2011 Field of Dreams sale and commanded a price of \$5000.
- The cow family behind this one is second to none, her productive dam produces a good one year after year.
- Beth has a twin sister and their hard milking dam raised them both.
- Look her up, you won't be disappointed.
